1. Summary

This annual report refers to the compliance requirements of Condition 11 for Rawling Road Pty Ltd issued by the Department of Agriculture, Water and the Environment in relation to approval EPBC 2021/8902 under sections 130(1) and 133(1) of the *Environmental Protection and Biodiversity Conservation Act 1999*. This annual report is for the period of May 2022 to May 2023.

All required conditions associated with approval EPBC 2021/8902 have been summarised in Appendix 1.

2. Definitions

In these conditions, except where contrary intention is expressed, the following definitions are used:

- **Business day(s)** means a day that is not a Saturday, a Sunday or a public holiday in the state or territory of the action.
- **Clear/clearing** means the cutting down, felling, thinning, logging, removing, killing, destroying, poisoning, ringbarking, uprooting or burning of vegetation.
- **Clearing Permit** means Clearing Permit CPS 9219/1 issued by the Government of Western Australia under the *Environmental Protection Act 1986* (WA) on 25 February 2022.
- **Commencement of the action** means the first instance of any specified activity associated with the action including **clearing** and **construction**. **Commencement of the action** does not include minor physical disturbance necessary to:
 - i. undertake pre-clearance surveys or monitoring programs
 - ii. install signage and /or temporary fencing to prevent unapproved use of the project area
 - iii. protect environmental and property assets from fire, weeds and pests, including installation of temporary fencing, and use of existing surface access tracks
 - iv. install temporary site facilities for persons undertaking pre-commencement activities so long as these are located where they have no impact on the **protected matters**
- **Completion data** means an environmental report and spatial data clearly detailing how the conditions of this approval have been met. The **Department's** preferred spatial data format is **shapefile**.
- **Completion of the action** means the date on which all specified activities associated with the action have permanently.
- **Compliance records** means all documentation or other material in whatever form required to demonstrate compliance with the conditions of approval in the approval holder's possession or that are within the approval holder's power to obtain lawfully.
- **Compliance report(s)** means written reports:

- i. providing accurate and complete details of compliance, **incidents**, and non-compliance with the conditions and the **plans**
 - ii. consistent with the **Department's Annual Compliance Report Guidelines (2014)**
 - iii. include a **shapefile** of any clearance of any **protected matters**, or their habitat, undertaken within the relevant 12 month period
 - iv. annexing a schedule of all **plans** prepared and in existence in relation to the conditions during the relevant 12 month period.
- **Construction** means the erection of a building or structure that is or is to be fixed to the ground and wholly or partially fabricated on-site; the alteration, maintenance, repair or demolition of any building or structure; preliminary site preparation work which involves breaking of the ground (including pile driving); the laying of pipes and other prefabricated materials in the ground, and any associated excavation work.
 - **Department** means the Australian Government agency responsible for administering the **EPBC Act**.
 - **EPBC Act** means the *Environment Protection and Biodiversity Conservation Act 1999*(Cth).
 - **Incident** means any event which has the potential to, or does, impact on one or more **protected matter(s)**.
 - **Independent audit(s)** means an audit conducted by an independent and **suitably qualified person** as detailed in the *Environment Protection and Biodiversity Conservation Act 1999 Independent Audit and Audit Report Guidelines*(2019).
 - **Minister** means the Australian Government Minister administering the **EPBC Act** including any delegate thereof.
 - **Project area** means the area shown by the red coloured line and labelled Project Area on the map at Attachment A below.
 - **Protected matter** means a matter protected under a controlling provision in Part 3 of the **EPBC Act** for which this approval has effect.
 - **Plan(s)** means any of the documents required to be prepared, approved by the **Minister**, implemented by the approval holder and/or published on the **website** in accordance with these conditions (includes action management plans and/or strategies).
 - **Revegetation Plan** means the *Revegetation Plan, Off set areas for cold storage development* prepared for RR Unit Trust (Rawling Road Pty Ltd ATF the RR Unit Trust), 19 November 2021.

- **Sensitive ecological data** means data as defined in the Australian Government Department of the Environment(2016)*Sensitive Ecological Data–Access and Management PolicyV1.0*.
- **Shapefile** means location and attribute information of the action provided in an Esri shapefile format. Shapefiles must contain '.shp', '.shx', '.dbf' files and a '.prj' file that specifies the projection/geographic coordinate system used. Shapefiles must also include an '.xml' meta data file that describes the shapefile for discovery and identification purposes.
- **Suitably qualified person** means a person who has relevant professional qualifications and at least three (3) years of work experience designing and implementing surveys for **protected matters** relevant to this approval, and can give an authoritative assessment and advice on the presence of **protected matters**, using relevant protocols, standards, methods and/or literature. If the person does not have appropriate professional qualifications, the person must have at least five (5) years of work experience designing and implementing surveys for **protected matters** relevant to this approval.
- **Website** means a set of related web pages located under a single domain name attributed to the approval holder and available to the public.
- **Western Ringtail Possum Habitat** means habitat known to support western ringtail possums (*Pseudocheirus occidentalis*) within the known current distribution of the species, typically characterised by abundant foliage, presence of suitable nesting structures such as tree hollows, as well as high canopy cover and continuity. Known habitat includes peppermint (*Agonis flexuosa*) dominated woodlands, jarrah (*Eucalyptus marginata*) and marri (*Corymbia calophylla*) forests, riparian vegetation with a canopy of Bullich (*Eucalyptus megacarpa*) or flooded gum (*Eucalyptus rudis*), karri (*Eucalyptusdiversicolor*) forests, sheoak (*Allocasuarina fraseriana*) dominated woodlands, and other stands of myrtaceous trees growing near swamps, watercourses or floodplains.
